1) Length of membership

- After the initial term we require a minimum of 9 days notice before next pay day of cancellation of membership

2) Your responsibilities while on site

3) Sliding scale and monthly direct debit payments

- All students need to have enrolled successfully and paid for their first month or part months membership (either by direct debit or by advance payment) before starting their course of swimming lessons
- You must pay part of the membership payment for the month you join on the day you join. This 'sliding scale payment' is calculated based on the number of lessons falling before your first direct debit payment is taken. If you join after the 15th day of the month, you will also need to pay the following months membership payment in full
- During a student's membership you must pay your membership fees whether you use our facilities and services or not - any sessions missed due to student absence cannot be carried over to subsequent weeks
- Direct debit payments for Swim Academy are processed on the 1st day of each month in payment for tuition for that month
- Direct debit is paid from the account of the authorised parent or guardian representing the child (must be over 18)
- Direct debit payments require a minimum of 3 monthly payments before payment can be cancelled

If you are unhappy with the changes you may cancel your membership in accordance with the terms set out in this document

4) If your payments fail

- Whilst you continue to owe us a monthly direct debit payment a student will not be allowed to attend the Vivacity Swim Academy and we may cancel your membership
- If the direct debit details you gave us were wrong, or you have cancelled your direct debit within the minimum 3 month initial term, or there are not enough funds in your account (which we may try again to withdraw by direct debit but if we still cannot collect payment) we will ask you to make any outstanding payment by cash, cheque, debit or credit card and for you to give us your correct details
- If in any of these circumstances we cannot collect payment we may cancel your membership straight away.
- Any outstanding Swim Academy fees must be paid before a student may restart Swim Academy

We may end your membership for any reason by giving you one full calendar months notice. In these circumstances you will not have to pay any monthly membership payment for the period after your membership ends and we will refund any monthly payments you have paid in advance for that period.
